ACHIEVEMENTS

4.6 of 5 Star Student Review Rating as Lead Instructor
(10/2020 - Present)

Students provided positive reviews leaving anonymous comments such as "very helpful", "VERY patient, i would have lost my mind trying to teach this to newbies. very informative and helpful to all our questions"

4.5 out of 5 Star Review Rating for student engagement

Students provided positive reviews for the coding bootcamp held at the University of Arizona. They rated the instructional staff(3 members) high on knowledge and helpfulness.

Developed a Quality Assurance app for Fender

I created a React application for all Q.A inspectors for Fender Musical Instruments. Now all guitar inspectors have a convenient way of referencing error codes that will also provide images and descriptions.
